

## SNOW VALLEY SKATING CLUB

### PARENT GUIDELINES

1. There must be at least one Club professional in attendance during each entire session. In extenuating circumstances two Executive Members at ice level may be used.
2. Please ensure that your child understands the responsibilities of a skater and the consequences of inappropriate behaviour by going over the Skaters' Code of Conduct with him or her.
3. Family / friends are asked to watch from the bleachers or warm room NOT from the players' boxes or from the gate area, as this is a major distraction to the skaters and coaches on the ice.
4. Please do not stand on the small ledge leaning over the glass in Tamitik.
5. Do not talk to your child from the stands or from the players' bench, as this is disruptive to the coaches and skaters on the ice. If your child needs to talk to you or needs skates fixed they should ask to leave the ice and both you and your child should go to the dressing room. Please do not stay in the players box.
6. Make sure that your coach is aware that your child is going to be away on a given day or you may be charged for missed lessons.
7. All fees, whether to a coach or to the Club, must be paid up in full or your skater will not be considered in good standing, and this could jeopardize his/her skating season and competitions. If you have a concern about payments, contact your coach regarding private lessons, or the Club treasurer concerning Club fees.
8. If you have a concern or a question, or disagree with the actions of a coach, you must first deal with the coach directly. Only when this has taken place and no resolution has been reached will the Executive and/or the Club liaison become involved. All requests for resolution must be made in writing.
9. It is the role of the coach to intervene when conflict arises between skaters on the ice. In the event that the individuals are coached by different coaches, then both coaches will participate in the negotiation of a resolution. Coaches will contact the parents of the skaters involved.
10. **\*\*All skaters must be picked up at the end of their ice time. In the event that a parent is late, that parent will be charged a fee to pay a coach / executive member to stay with the child. The fee will be \$8 for each 15 minutes or portion thereof, and must be paid to the treasurer before the skater's next session. Should this happen more than three times, you may be refunded a portion of the fees you paid and your child may no longer be allowed to skate.\*\*** The Club's responsibility starts when the ice time starts, so skaters should not be dropped off too long before their ice time starts.
